

Bhaktivedanta Course

Srila Prabhupada envisioned four levels of study of his books—Bhakti-Sastri, Bhakti-Vaibhava, Bhakti-Vedanta and Bhakti-Sarvabhauma. Hare Krishna Melbourne is endeavoring to establish these degrees and thus provide an opportunity for higher studies in Krsna conscious philosophy to interested devotees. The Bhakti-Vedanta Course follows the study of Bhakti-Vaibhava (Canto 1 to 6) and consists of the study of Canto 7 to 12.

Devotees interested in this study are encouraged to complete their study of Bhakti-Vaibhava as it is advised to begin one's study from the very beginning of Srimad Bhagavatam in order to derive complete benefit.

In 2017 we have two courses covering Srimad Bhagavatam Canto 7 facilitated by Gangesvar Das and Srimad Bhagvatam Canto 10 facilitated by Kesav Das. More information below:
