

## **The Bhaktivedanta Course**

Srila Prabhupada envisioned four levels of study of his books

1. Bhakti-Sastri,
2. Bhakti-Vaibhava,
3. Bhakti-Vedanta and
4. Bhakti-Sarvabhauma.

Hare Krishna Melbourne is endeavouring to establish these degrees and provide an opportunity for higher studies in Krishna conscious philosophy to interested devotees.

The Bhakti-Vedanta Course follows the study of Bhakti-Vaibhava (Canto 1 to 6) and consists of the study of Canto 7 to 12.

Devotees interested in this study should first complete their study of Bhakti-Vaibhava. It is advised to begin one's study from the very beginning of Srimad Bhagavatam in order to derive complete benefit.
